1. DON'T STOP THE MUSIC

Please don't stop the music (music, music, music)

Please don't stop the music (music, music, music)

Please don't stop the music (music, music, music)

Please don't stop the music (music, music, music)

[Verse 1:]

It's getting late

I'm making my way over to my favorite place

I gotta get my body moving, shake the stress away

I wasn't looking for nobody when you looked my way

Possible candidate, yeah

Who knew, that you'd be up in here lookin' like you do

You're making staying over here impossible

Baby I must say, your aura is incredible

If you don't have to go (don't)

[Bridge:]

Do you know what you've started?

I just came here to party

But now we're rocking on the dancefloor, acting naughty

Your hands around my waist

Just let the music play

We're hand in hand

Chest to chest and now we're face to face

[Chorus:]

I wanna take you away

Let's escape into the music DJ let it play

I just can't refuse it

Like the way you do this

Keep on rockin to it

Please don't stop the, please don't stop the music

I wanna take you away

Let's escape into the music DJ let it play

I just can't refuse it

Like the way you do this

Keep on rockin to it

Please don't stop the, please don't stop the, please don't stop the music

[Verse 2:]

**Baby are you ready cause it's getting close
Don't you feel the passion ready to explode
What goes on between us no one has to know
This is a private show, oh**

[Bridge:]

**Do you know what you've started?
I just came here to party
But now we're rockin on the dancefloor, acting naughty
Your hands around my waist

2. LET IT WHIP

**Wanna see you whip it
Sure' could treat you right
Give me just a minute
Of your time tonight
We both are here to have the fun
So let it whip
Know you're into groovin'
Love your body language
Baby, let me know
You've got me sort of anxious
We both are here to have the fun
So let it whip**

**So let it whip
(Let's whip it, baby)
Child
(Let's whip it right)
Get a grip
(Let's whip it baby)
(Whip it all night)
Well, what's your trip
(Oh no)
Child
Cmon let it whip**

**Now that you can see
How you groove with me
What else can I do
To get close to you
We both are here to have the fun
So let it whip
We have the natural feeling
Obviously revealing
Let me be your paper man
I'd love to be your joker man
We both are here to have the fun
So let it whip**

So let it whip
(Let's whip it baby)
Child
(Let's whip it right)
Get a grip
(Let's whip it baby)
(Whip it all night)
Well, what's your trip
(Oh no)
Child
C'mon let it whip

(There's no time to lose)
There is no time to lose
(You're the one I choose)
(You're so right)
You're the one I choose
I only wanna be with you
You're the one for me
Can't you see that I
(I won't waste your time)
I won't waste your time
(I sense something divine in you)
Something divine in you
(Yes I do)
Oooh-hoo

Let It Whip

The homies got at me collab' creations
Bump like acne, no doubt

As long as my credit could vouch
A dog couldn't catch me, straight up**

**Tell me who could stop when
Dre making moves
Attracting honeys like a magnet
Giving 'em eargasms with my mellow accent
Still moving this flavour with homies
Blackstreet and Teddy**

The original rump shakers

Baby got them open up all over town
Strictly biz she don't play around
Cover much ground, got game by the pound**

Each and every day true player way
I can't get her outta my mind
I think about the girl all the time**

**I like the way you work it
No diggity, I got to bag it up
Baby**

**I like the way you work it,
No diggity, I got to bag it up
Baby,**

**I like the way you work it
No diggity, I got to bag it up
Baby**

6. BELLAS REGIONALS

Whoaaa yeah
I gotta new life,
You would hardly recognize me,
I'm so glad,
How could a person like me care for you,
Why do I bother when you're not the one for me,
Is enough enough,

I saw the sign and it opened up my eyes,
and I am happy now living without you,
I've left you all alone
I saw the sign and it opened up my eyes
I saw the sign
(I saw the sign I saw the sign)
I saw the sign
(I saw the sign I saw the sign)
I saw the sign

Close your eyes,
Give me your hand darlin,
Do you feel my heart beating,
Do you understand,
Do you feel the same,
Am I only dreamin,
Or is this burning an eternal flame,

Say my name,
Sun shines through the rain,
A whole life so lonely,
Then you come and ease the pain,
I don't want to lose this feeling,
Is this burning an eternal flame,

Turn it around,
Turn it around,
Turn it turn it, X4
Turn it around

Turn the beat around love to hear percussion
(Turn the beat around... love to hear percussion)

Turn it upside down love to hear percussion
(Turn it upside down... love to hear percussion)
Turn the beat around love to hear percussion

Turn it upside down love to hear it

Her hair, her hair, falls perfectly without her trying
She's so beautiful, and I tell her every day**

**(I was thinking bout her, thinkin bout me)

(Thinkin bout us, what we gon' be)

(It's only a dream)

10. TREBLES FINALS: BRIGHT LIGHTS BIGGER CITY/MAGIC

I been livin' for the weekend, but no, not anymore
'Cuz here comes that familiar feeling that friday's famous for
Yeah, I'm lookin' for some action and it's out there somewhere
You can feel the electricity all in the evenin' air
And it may just be more of the same
But sometimes you wanna go where everyone knows your name
So I guess I'll have to wait and see
But I'm just gonna let somethin' brand new happen to me
And it's alright, (it's alright) it's alright, it's alright, it's alright (it's alright)
Bright lights in the big city
It belongs to us tonight (tonight)

I've got the magic in me
Every time I touch that track it turns into gold
Now everybody knows I've got the magic in me
When I hit the floor the girls come snappin' at me
Now everybody wants some presto magic
These tricks that I'll attempt will blow you're mind
Pick a verse, any verse I'll hypnotize you with every line
I'll need a volunteer
How about you with the eyes
Come on down to the front and sit right here and don't be shy
So come one, come all, and see the show tonight
Prepare to be astounded, no ghost or poltergeist
You know I'm no Pinocchio, li never told a lie
They call me mister magic man
I float on cloud 9

I've got the magic in me (I got the magic baby)
Every time I touch that track it turns into gold (oh, yes it turns to gold)
Everybody knows I've got the magic

Just stop for a minute and smile,**

**Everybody look to the left,
Everybody look to the right,
Can you feel that yeah,
We're payin with love tonight,**

**It's not about the money, money, money,

We just want to make the world dance,
Forget about the price tag,**

I say la lalalala lalalala lalalala lalalala

Tonight,
I will love love you tonight,
Give me everything tonight,
For all we know we might not get tomorrow,
Let's do it tonight,

Forget what they say,
All my cares they play,
I want you tonight,

Grab somebody sexy,
Tell them Hey,
Give me everything tonight,
Give me everything tonight,

Take advantage of tonight
'Cause tomorrow I'm off to do battle, perform for princess,
But tonight, I can make you my queen,
And make love to you endless,

It's insane to wait and they ain't growin' money,
Keep flowin', hustlers move beside us,
So I'm tip-toeing to keep blowing,
I got it locked down like Lindsay Lohan,

Put it on my lap, baby,
I make you feel right, baby,
Can't promise tomorrow,
But I'll promise tonight,

Excuse me,
But I might drink a little more than i should tonight,
And I may take you home with me if I could tonight,
(Don't you forget about me)
And baby i will make you feel so good tonight,
Cause we might not get tomorrow, tonight.

Hands up,
I put my hand up,

**Don't you forget about me,
(Party in the U.S.A.) tonight,**

**I will love love you tonight,
Give me everything tonight,
For all we know, we might not get tomorrow,
Let's do it tonight.**
